

PTO Notes

Welcome to Another Year

Keep up-to-date with events and activities through www.cbmpto.org.

Please consider joining the **Parent Teacher Organization (PTO)** as an additional step towards supporting your child's education. Hundreds of studies show that when parents are involved in their children's education at home, they do better in school. *And when parents are involved in school, children go farther in school, and the schools they go to are better.* Joining and being involved in PTO does not require a significant investment of your time or money. Your membership dues of \$25 do, however, offer the following benefits:

- Participation in a friendly competition (**ending 10/23**) for our teachers to earn some extra cash based on PTO membership percentage.
- Voting rights at PTO meetings on key decisions affecting your children. [Childcare and light food is provided at no cost at these hour-long meetings.]
- **Free** admission for you and your family to all PTO-sponsored events, including Fall Festival and the Silent Auction and Talent of Covered Bridge. *Non-PTO members pay \$40+ for admission to these activities.*

Membership questions can be directed to anita@designlogiccreative.com.
